

A gift is a gesture that represents joy and love. Let's Gift for a Reason (GFAR) is SAFRA Toa Payoh's annual corporate social responsibility event that encourages the spirit of giving back to the less fortunate.

In association with this effort, SAFRA Lil' Stars is offering an opportunity for participants to share a hopeful message to the community. Go beyond to inspire as you achieve your dreams. Express your thoughts by adding your illustrations and colours to the template.

Your artwork may be selected as a design for the wrapping paper for gifts and/or tote bags that will be distributed to the beneficiaries for GFAR.

1. Print this template.
2. Add your own creative design within the illustration in the circle template (on the right).
3. Scan or take a photo of your completed design template.
4. Submit it for the competition either by:
 - a) Emailing it to sls@safra.sg
 - b) Dropping the original printed document at Level 1, SAFRA Toa Payoh's Customer Service Counter (next to McDonald's).
